MIDDLE AGE TRAINING - CEBU

CONSECRATION and AFFIRMATION

I am requesting enrollment to the Middle Age Training in Cebu (MATC). I understand and agree to abide by the stipulations and guidelines of this training. I therefore willingly and voluntarily submit this personal consecration and hereby affirm my full submission to the requirements, rules and standards of the Training, as stated below:

1. I consecrate myself to the Lord to be trained in Bible truth, life, gospel, service, living, character and ministry. I will participate willingly to all the training activities and endeavors.
2. I declare that my primary goal is to become a proper vessel ready to preach the gospel of the kingdom throughout the whole inhabited earth and to strengthen the local churches for the Lord's recovery.
3. I agree to be responsible to the Training and be accountable for every area of my life especially regarding my character and daily living. For this matter, I am willing to be regulated to suit the standard of the Training. I am willing to be adjusted accordingly and learn the aspects of coordination with my fellow trainees, the training staff, and the local saints.
4. I shall accept and submit to all rules, requirements, and arrangements established by the Training.
5. I agree to attend all the meetings punctually and to function normally. I understand that there is to be no preference, choice or option for me on this matter. Therefore, I shall refrain from any activity that could interfere with the training schedule.
6. I am committed to complete the entire two weeks of the Training without interruption. I understand that absence without valid reason and prior permission can be a ground for dismissal from the Training.
7. I understand that I will be subject to testing and evaluation as required by the Training, and I am prepared to do all the assigned tasks and activities in the pursuit of the objectives of the Training.
8. I shall utterly refrain from initiating or developing any form of private relationship or association with any member of the opposite sex during the entire duration of the Training. This is with respect to acceptable conversations and coordination which are necessary in some Training-arranged activities such as group testing, gospel team and service functions. I understand that I have to fellowship immediately with the training coordinators, should I sense any bridge or compromise on this matter.
9. I will avoid speaking any form of idle words, gossip, murmuring, foul language and expressions that could offend anyone. I understand that a physical quarrel with anyone is a serious ground for dismissal.
10. I am aware that the Training can be physically and psychologically strenuous for my age and that I have submitted myself to medical check-up and necessary test(s) to ensure that I am physically fit and suitable for the Training. I agree to take every precaution in diet, sanitation, exercise, and rest as prescribed by the Training. I shall keep myself healthy and free from any sickness.
11. I shall be responsible to take care of all my personal belongings and not covet other people's properties.
12. I fully understand that the Training has the right to suspend or dismiss me at any time and that the Training has the full prerogative over my stay and continuation as a trainee.

In good faith and humbleness, I submit myself to the training hand of the Lord and hereby affirm my willingness to uphold the standard of the Training, and abide by all the conditions and requirements thereof.
